

**Chapter 41 Wealth Equalization
School Year 2016–2017
Final Official Chapter 41 Status Notification List**

Important Notes:

1. The Texas Education Agency (TEA) provides preliminary notification of potential Chapter 41 status annually in May so that any school district that needs to proceed with its tax ratification process before the official July 15 notification can plan for the election.
2. Annually in July, the TEA provides official notification to districts with property wealth per student in weighted average daily attendance (WADA) that is above the equalized wealth level of \$319,500 established by the Texas Education Code, §41.002(a)(3). Once a district receives official notice of Chapter 41 status, it must notify the TEA of whether it charges tuition.
3. The following list shows all school districts that were officially notified in July (see note 2), including those that charge tuition. The estimates are based on the revised preliminary T2 property values provided by the Texas Comptroller's Property Tax Assistance Division for tax year 2015 and the projected number of resident WADA for the 2016–2017 school year. Because the final certified property values from the PTAD are not available until August 1 for us to use in providing official notification, we have used the revised preliminary values.
4. Districts appearing on this list do not necessarily owe recapture. A list of the Chapter 41 recapture paid by districts from 1994–2015 is available on the Chapter 41 Wealth Equalization web page at http://tea.texas.gov/Finance_and_Grants/State_Funding/Chapter_41_Wealth_Equalization/Chapter_41_Wealth_Equalization/.
