

Item 16:**Discussion of Amendments to 19 TAC Chapter 230,
Professional Educator Preparation and Certification,
Subchapter A, General Provisions, and Subchapter C,
Assessment of Educators****DISCUSSION**

SUMMARY: This item provides the State Board for Educator Certification (SBEC) an opportunity to discuss amendments to 19 Texas Administrative Code (TAC) Chapter 230, Professional Educator Preparation and Certification, Subchapter A, General Provisions, and Subchapter C, Assessment of Educators. The proposed amendments would redefine Pilot Exam; would provide a technical edit to align with the titles in subsections; would specify the timeline by which a passing score on a certification exam can be used for certification purposes; would decrease the number of days to request a test limit waiver after an unsuccessful examination attempt; would add clarification that candidates who meet the qualifications for this temporary exemption can include the Science of Teaching Reading exam in their exemption request; would update the figure specifying the required pedagogy certification exams for issuance of the probationary or standard certificate; and would remove certificate categories that are no longer operational.

STATUTORY AUTHORITY: The statutory authority for 19 TAC §230.21 is the Texas Education Code (TEC) §§21.041(b)(1), (2), and (4); 21.044(a); 21.048; 21.050; 22.082; and Texas Occupations Code (TOC), §54.003.

TEC, §21.041(b)(1), (2), and (4), require the SBEC to propose rules that provide for the regulation of educators and the general administration of the TEC, Chapter 21, Subchapter B, in a manner consistent with the TEC, Chapter 21, Subchapter B; specify the classes of educator certificates to be issued, including emergency certificates; and specify the requirements for the issuance and renewal of an educator certificate.

TEC, §21.044(a), requires the SBEC to propose rules establishing training requirements a person must accomplish to obtain a certificate, enter an internship, or enter an induction-year program.

TEC, §21.048, states the SBEC shall propose rules prescribing comprehensive examinations for each class of certificate issued by the board that includes not requiring more than 45 days elapsing between examination retakes and that starting January 1, 2021, all candidates teaching prekindergarten through grade six must demonstrate proficiency in the science of teaching reading on a certification examination.

TEC, §21.050(a), states a person who applies for a teaching certificate must possess a bachelor's degree.

TEC, §21.050(b), states the SBEC shall provide for a minimum number of semester credit hours of field-based experience or internship.

TEC, §21.050(c), states a person who receives a bachelor's degree required for a teaching certificate on the basis of higher education coursework completed while receiving an exemption from tuition and fees under the TEC, §54.363, may not be required to participate in any field experience or internship consisting of student teaching to receive a teaching certificate.

TEC, §22.082, requires SBEC to subscribe to the criminal history clearinghouse as provided by Texas Government Code, §411.0845, and may obtain any law enforcement or criminal history records that relate to a specific applicant for or holder of a certificate issued under Chapter 21, Subchapter B.

TOC, §54.003, states a licensing authority shall provide accommodations and eligibility criteria for examinees diagnosed as having dyslexia.

FUTURE ACTION EXPECTED: Texas Education Agency (TEA) staff anticipates presenting proposed changes to 19 TAC Chapter 230 for discussion and action at the December 2022 SBEC meeting.

BACKGROUND INFORMATION AND JUSTIFICATION: The SBEC rules in 19 TAC 230 Subchapter A, General Provisions, specify the general guidelines regarding professional educator preparation and certification. The SBEC rules in 19 TAC 230 Subchapter C, Assessment of Educators, specify the testing requirements for initial certification and for additional certificates based on examination. These requirements ensure educators are qualified and professionally prepared to instruct the schoolchildren of Texas.

Following is a description of the proposed revisions to 19 TAC Chapter 230, Subchapters A and C, that are reflected in Attachment I.

Subchapter A. General Provisions

Proposed Amendment to 19 TAC §230.1(17)

The proposed amendments to §230.1(17) would amend the definition for “Pilot exam” from, “A certification exam that is subject to review by the State Board for Educator Certification prior to September 1, 2022,” to “A certification exam that is subject to review by the State Board for Educator Certification.” This proposed amendment would allow for the SBEC to review, pilot, and collect data for certification exams to examine the impact of the exam’s implementation on Texas candidates.

Subchapter C. Assessment of Educators

Proposed Amendment to 19 TAC §230.21(a)(3)(A)

The proposed amendment to 19 TAC §230.21(a)(3)(A) would provide a technical edit to align with the titles of subsections §232.17 and §232.19.

Proposed Amendment to 19 TAC §230.21(a)(5)(D)(ii)

The proposed amendment to 19 TAC §230.21(a)(5)(D)(ii) would repeal the time-limit for candidates seeking a test limit waiver if they had initially been denied. There are no longer any denials for test-limit waiver applications. If candidates submit an incomplete application, they are given detailed information on any necessary corrections. The application remains in process until the candidate has submitted a complete and accurate application, or the exam is no longer offered.

Proposed Amendment to 19 TAC §230.21(a)(5)(D)(iii)

The proposed amendment to 19 TAC §230.21(a)(5)(D)(iii) would decrease the number of days a candidate may request a test limit waiver after an unsuccessful examination attempt.

Proposed Amendment to 19 TAC §230.21

The proposed amendment to 19 TAC §230.21(b)(2)(C) would add clarification that candidates who meet the qualifications for this temporary exemption can include the Science of Teaching Reading exam in their exemption request.

Proposed Amendment to 19 TAC §230.21(f)

The proposed amendment to §230.21(f) would clarify that a passing score on a certification exam could be used for certification recommendation up to one year after the last operational date for the exam. This amendment would provide clarity to the field on the last date that an educator may be recommended for certification used a passing score on an exam that is no longer operational.

Proposed Amendment to §230.21(e)

The proposed amendment to §230.21(e) would update the testing requirements for educator certification indicated in Figure: 19 TAC §230.21(e). A summary of the proposed changes shown in Attachment II is included below.

The proposed amendment to §230.21(e) would specify that for issuance of a probationary or standard certificate in more than one certification category, a candidate must pass the appropriate pedagogy examination under Figure: 19 TAC §230.21(e) for any one of the certificates sought. This change would allow for educators to be issued probationary or standard certificates in more than one certification category by passing only one edTPA certification exam. The current rule requires that, for issuance of each individual certificate, educators must take the aligned pedagogy exam, which means that educators pursuing certification in two certification categories through completion of the edTPA would be required to take two edTPA certification exams. This proposed change would align with feedback from educator preparation programs (EPPs) participating in the edTPA pilot, who expressed concern about the expense and duplicative effort caused by the current rule.

Update to Figure Titles

The proposed amendment to Figure in 19 TAC §230.21(e) would update the column title from "Pedagogical Requirement(s)" to "Required Pedagogy Test(s)" to align the language of the title to the other test column in the figure, "Required Content Pedagogy Test(s)."

The proposed amendment to Figure in 19 TAC §230.21(e) would add placeholders in the Figure for the new Special Education certification exams: Special Education Specialist; Deafblind: Early Childhood-Grade 12; and Core Subjects with Science of Teaching Reading/Special Education: Early Childhood-Grade 6. The exams, Special Education Specialist and Deafblind: Early Childhood-Grade 12, will be operational for candidates to begin taking on September 1, 2025 to align with the proposed amendments for Chapter 233, Categories of Classroom Teaching Certificates. The last operational date for the exam, Special Education: Early Childhood-Grade 12, would be August 31, 2025. The exam, Core Subjects with Science of Teaching Reading/Special Education: Early Childhood-Grade 6, will begin development with the acceptance of the proposed amendments in Chapter 233.

The proposed amendment to Figure in 19 TAC §230.21(e) would implement the new certification exam, Tamil: Early Childhood-Grade 12, to the figure. The exam will become operational for candidates to complete on September 1, 2025, to align with the proposed amendments to Chapter 233, Categories of Classroom Teaching Certificates.

The proposed amendment to Figure in 19 TAC §230.21(e) would add the last operational date of September 3, 2023 for the following exams: English Language Arts and Reading 7-12 and Physical Education EC-12. Further, the proposed amendment would add the first operational date for the new exams, English Language Arts and Reading 7-12 and Physical Education EC-12, of September 4, 2023.

The proposed amendment to Figure in 19 TAC §230.21(e) would add the proposed timeline (i.e., no earlier than September 1, 2025) for the following exams: Reading Specialist EC-12 and School Librarian EC-12. The proposed amendments align with the test development timeline.

EPP and Candidate Choice in edTPA Exams

The proposed amendment to §230.21(e) would add the 2151 edTPA: Career and Technical Education edTPA exam as a pedagogy exam option for the following certificates, beginning on September 1, 2023: Technology Education: Grades 6–12; Family and Consumer Sciences, Composite: Grades 6–12; Human Development and Family Studies: Grades 8–12; Hospitality, Nutrition, and Food Sciences: Grades 8–12; Agriculture, Food, and Natural Resources: Grades 6–12; Business and Finance: Grades 6–12; and Marketing: Grades 6–12.

The addition of the edTPA: Career and Technical Education exam for the indicated certification categories would provide flexibility for EPPs and candidates to select the edTPA exam that best aligns with their given instructional context.

The proposed amendment to §230.21(e) would also add the following eight edTPA exams as pedagogy exam options for the Core Subjects with Science of Teaching Reading (STR), beginning on September 1, 2023: EC–6 certificate: 2001 edTPA Elementary Literacy; 2002 edTPA Elementary Mathematics; 2149 edTPA Elementary Education: Mathematics with

Literacy Task 4; 2014 edTPA: Early Childhood Education; 2016 edTPA: Middle Childhood Mathematics; 2017 edTPA: Middle Childhood Science; 2018 edTPA: Middle Childhood English Language Arts; and 2019 edTPA: Middle Childhood History/Social Studies.

The addition of the edTPA exams for certification in Core Subjects with STR: EC–6 would provide flexibility for EPPs and candidates to select the edTPA exam that best aligns with their given instructional context. The current aligned edTPA exam for Core Subjects with STR: EC–6 is the Elementary Education: Literacy with Task 4 Mathematics. The new proposed rule would allow for EPPs and candidates to choose from eight additional exams based on their instructional context. For example, a candidate teaching in a fourth-grade science classroom would have the option to take the edTPA: Middle Childhood Science exam. This change is informed by feedback from EPPs participating in the edTPA pilot, who indicated that in some circumstances the requirements of the edTPA Elementary Education: Literacy with Mathematics Task 4 were challenging to meet given the candidate's classroom setting. This change would allow for flexible options for strong alignment between classroom setting and edTPA exam.

In addition, the options would also allow candidates to complete a 15-rubric exam (e.g., edTPA Elementary Literacy) versus the currently required 18-rubric exam (edTPA Elementary Education: Literacy with Mathematics Task 4). This would reduce overall the number of tasks that elementary candidates would be required to complete in the submission of their edTPA portfolio.

Update the Exam Requirements for Health Science: Grades 6–12

The proposed amendment to §230.21(e) would add the 2151 edTPA: Career and Technical Education exam as a pedagogy exam for the Health Science: Grades 6–12 certificate, which would implement an edTPA exam requirement for the certification category, beginning on September 1, 2023.

Remove Retired Exams and Certificates

The proposed amendment to §230.21(e) would strike the following four retired certificates and their associated exam requirements: Core Subjects: Early Childhood–Grade 6; Core Subjects: Grades 4–8; English Language Arts and Reading: Grades 4–8; and English Language Arts and Reading/Social Studies: Grades 4–8. Striking the four certificates listed would remove them from the testing figure. Each of the four certificates was replaced by the new certificate name including "with the Science of Teaching Reading" and the required examinations in October 2020.

The proposed amendment to §230.21(e) would strike the following four retired certification exams: Pedagogy and Professional Responsibilities for Trade and Industrial Education 6-12; Educational Diagnostician EC-12; and School Counselor EC-12. The intent of the changes to remove retired exams and certificates would be to streamline the testing figure for readability.

Next Steps: At the SBEC's work session in September 2022, TEA staff will present options to the SBEC to discuss adopting and/or developing a teacher performance/pedagogical assessment. Based on the Board's discussions and directives at the work session, the proposed revisions to §230.21(e), Educator Assessment, (as noted in this item) may be revised.

Subchapter C. Assessment of Educators

§230.21. Educator Assessment.

- (a) A candidate seeking certification as an educator must pass the examination(s) required by the Texas Education Code (TEC), §21.048, and the State Board for Educator Certification (SBEC) in §233.1(e) of this title (relating to General Authority) and shall not retake an examination more than four times, unless the limitation is waived for good cause. The burden of proof shall be upon the candidate to demonstrate good cause.
- (1) For the purposes of the retake limitation described by the TEC, §21.048, an examination retake is defined as a second or subsequent attempt to pass any examination required for the issuance of a certificate, including an individual core subject examination that is part of the overall examination required for the issuance of a Core Subjects certificate as described in §233.2 of this title (relating to Early Childhood; Core Subjects).
- (A) A canceled examination score is not considered an examination retake.
- (B) An examination taken by an educator during a pilot period is not considered part of an educator's five-time test attempt limit.
- (C) Pursuant to TEC, §21.0491(d), the limit on number of test attempts does not apply to the trade and industrial workforce training certificate examination prescribed by the SBEC.
- (D) A candidate who fails a computer- or paper-based examination cannot retake the examination before 30 days have elapsed following the candidate's last attempt to pass the examination.
- (2) Good cause is:
- (A) the candidate's highest score on an examination is within one conditional standard error of measurement (CSEM) of passing, and the candidate has completed 50 clock-hours of educational activities. CSEMs will be published annually on the Texas Education Agency (TEA) website;
- (B) the candidate's highest score on an examination is within two CSEMs of passing, and the candidate has completed 100 clock-hours of educational activities;
- (C) the candidate's highest score on an examination is within three CSEMs of passing, and the candidate has completed 150 clock-hours of educational activities;
- (D) the candidate's highest score on an examination is not within three CSEMs of passing, and the candidate has completed 200 clock-hours of educational activities;
- (E) if the candidate needs a waiver for more than one of the individual core subject examinations that are part of the overall examination required for the issuance of a Core Subjects certificate, the candidate has completed the number of clock-hours of educational activities required for each individual core subject examination as described in subparagraphs (A)-(D) of this paragraph up to a maximum of 300 clock-hours. The number of clock-hours for each examination may be divided equally based on the number of examinations in the waiver request, but the number of clock-hours for an examination shall not be less than 50; or
- (F) if a CSEM is not appropriate for an examination, the TEA staff will identify individuals who are familiar and knowledgeable with the examination content to review the candidate's performance on the five most recent examinations, identify the deficit competency or competencies, and determine the number of clock-hours of educational activities required.
- (3) Educational activities are defined as:
- (A) institutes, workshops, seminars, conferences, interactive distance learning, video conferencing, online activities, undergraduate courses, graduate courses, training

- (B) being directly related to the knowledge and skills included in the certification examination competency or competencies in which the candidate answered less than 70 percent of competency questions correctly. The formula for identifying a deficit competency is the combined total of correct answers for each competency on the five most recent examinations divided by the combined total of questions for each competency on the five most recent examinations.
- (4) Documentation of educational activities that a candidate must submit includes:
- (A) the provider, sponsor, or program's name, address, telephone number, and email address. The TEA staff may contact the provider, sponsor, or program to verify an educational activity;
- (B) the name of the educational activity (e.g., course title, course number);
- (C) the competency or competencies addressed by the educational activity as determined by the formula described in paragraph (3)(B) of this subsection;

- (i) 30 [45] calendar days after an unsuccessful attempt at the fourth retake of an examination as defined in the TEC, §21.048; or
- ~~(ii) 90 calendar days after the date of the most recent denied waiver of the limitation request; or~~

- (ii) ~~(iii)~~ 90 ~~180~~ calendar days after the date of the most recent unsuccessful examination attempt that was the result of the most recently approved request for waiver of the limitation.
- (6) The TEA staff shall administratively approve each application that meets the criteria specified in paragraphs (2)-(5) of this subsection.
- (7) An applicant who does not meet the criteria in paragraphs (2)-(5) of this subsection may appeal to the SBEC for a final determination of good cause. A determination by the SBEC is final and may not be appealed.
- (b) A candidate seeking a standard certificate as an educator based on completion of an approved EPP may take the appropriate certification examination(s) required by subsection (a) of this section only at such time as the EPP determines the candidate's readiness to take the examinations, or upon successful completion of the EPP, whichever comes first.
- (c) The holder of a lifetime Texas certificate effective before February 1, 1986, must pass examinations prescribed by the SBEC to be eligible for continued certification, unless the individual has passed the Texas Examination of Current Administrators and Teachers (TECAT).
- (d) The commissioner of education approves the satisfactory level of performance required for certification examinations, and the SBEC approves a schedule of examination fees and a plan for administering the examinations.
- (e) The appropriate examination(s) required for certification are specified in the figure provided in this subsection. For issuance of a probationary or standard certificate in more than one certification category, a candidate must pass the appropriate pedagogy examination specified in the figure provided in this subsection for any one of the certificates sought.
- Figure: 19 TAC §230.21(e) [Figure: 19 TAC §230.21(e)]
- (f) Scores from examinations required under this title must be made available to the examinee, the TEA staff, and, if appropriate, the EPP from which the examinee will seek a recommendation for certification. Passing scores on an examination required under this section may be utilized for certification if the candidate is recommended for certification up to one year after the last operational date for the examination as prescribed in Figure: 19 TAC §230.21(e).
- (g) The following provisions concern ethical obligations relating to examinations.
- (1) An educator or candidate who participates in the development, design, construction, review, field testing, scoring, or validation of an examination shall not reveal or cause to be revealed the contents of the examination to any other person.
- (2) An educator or candidate who administers an examination shall not:
- (A) allow or cause an unauthorized person to view any part of the examination;
- (B) copy, reproduce, or cause to be copied or reproduced any part of the examination;
- (C) reveal or cause to be revealed the contents of the examination;
- (D) correct, alter, or cause to be corrected or altered any response to a test item contained in the examination;
- (E) provide assistance with any response to a test item contained in the examination or cause assistance to be provided; or
- (F) deviate from the rules governing administration of the examination.
- (3) An educator or candidate who is an examinee shall not:
- (A) copy, reproduce, or cause to be copied or reproduced any test item contained in the examination;

- (B) provide assistance with any response to a test item contained in the examination, or cause assistance to be provided;
 - (C) solicit or accept assistance with any response to a test item contained in the examination;
 - (D) deviate from the rules governing administration of the examination; or
 - (E) otherwise engage in conduct that amounts to cheating, deception, or fraud.
- (4) An educator, candidate, or other test taker shall not:
- (A) solicit information about the contents of test items on an examination that the educator, candidate, or other test taker has not already taken from an individual who has had access to those items, or offer information about the contents of specific test items on an examination to individuals who have not yet taken the examination;
 - (B) fail to pay all test costs and fees as required by this chapter or the testing vendor; or
 - (C) otherwise engage in conduct that amounts to violations of test security or confidentiality integrity, including cheating, deception, or fraud.
- (5) A person who violates this subsection is subject to:
- (A) sanction, including, but not limited to, disallowance and exclusion from future examinations either in perpetuity or for a period of time that serves the best interests of the education profession, in accordance with the provisions of the TEC, §21.041(b)(7), and Chapter 249 of this title (relating to Disciplinary Proceedings, Sanctions, and Contested Cases); and/or
 - (B) denial of certification in accordance with the provisions of the TEC, §21.041(b)(7), and Chapter 249 of this title; and/or
 - (C) voiding of a score from an examination in which a violation specified in this subsection occurred as well as a loss of a test attempt for purposes of the retake limit in subsection (a) of this section.

§230.25. Test Exemptions for Persons with a Hearing Impairment.

- (a) A candidate who has a hearing impairment may request exemption from educator certification and competence examinations that have not been field-tested for appropriateness, reliability, and validity as applied to persons with hearing impairments.
- (b) A request for such an exemption shall include:
 - (1) a report by a licensed audiologist documenting that the candidate has a hearing impairment so severe that the person cannot process written linguistic information. The report may not be dated more than one year from the date of the request for the exemption and should address the relationship between the candidate's age at the onset or diagnosis of hearing loss and the candidate's ability to process written linguistic information; and
 - (2) a recommendation for exemption and certification of the candidate by an approved Texas educator preparation program (EPP). The recommendation shall be based on the EPP's determination of the candidate's qualification for the exemption and competency in each certification class and category in which certification is sought. The EPP shall make and document its determination of educator standards competency, as follows:
 - (A) by reviewing and approving transcripts from an accredited institution of higher education that demonstrate that the candidate has completed 24 semester credit hours in the educator standards, including 12 semester credit hours of upper division coursework, and documenting that the coursework is aligned to the Texas educator standards;
 - (B) if an EPP uses an alternative assessment to measure competency in any certification class and category in which a certification is being sought, by documenting the method and

validity of the means of assessment, the results of the assessment, and the alignment of the assessment to the applicable Texas educator standards; and

- (C) for the Science of Teaching Reading and the pedagogy and professional responsibilities examination, by documenting successful completion of EPP coursework and training covering educator standards for the grade level for which certification is sought.
- (c) The TEC, §21.048, provides that the SBEC may not administer a certification examination that has not been field-tested for appropriateness, reliability, and validity to a person who is unable to process linguistic information. An educator who has been granted such an exemption may not subsequently take any other such certification examination without submitting a new audiologist's report that addresses the prior audiologist's report and documents that the educator is now able to process written linguistic information.
- (d) This section does not affect the procedures for one-year certificates, extensions, and permits based on out-of-state credentials pursuant to §230.113 of this title (relating to Requirements for Texas Certificates Based on Certification from Other States or Territories of the United States), but, to be issued a standard certificate, a person must either satisfy the applicable examination requirements or be recommended for certification by an EPP.
