- Mrs. Messer stated that the council is wrapping up its second year of operation. She explained that section 2.1(d) and (e) of the council's operating procedures state that certain member terms end after two years of service, but have the option of a one-year extension. Mrs. Messer said she will send communication to those members whose terms will be ending to determine whether the individual wishes to extend their term for one year or step down from the council.

- Section 2.1(d) and (e):
Members of the state advisory council who are appointed or designated to their position shall serve until there is a change in post or the member steps down. The following positions are appointed or designated:

4. Council member and staff reports

Ms. Ramos explained that Texas does not have seat time requirements and therefore this rule would not impact students transferring into Texas. She stated that she would send the council members additional information about the proposed rule and how to provide official public comment.

- Mrs. Messer shared that the Texas Military Compact flyer Spanish translation is complete and shared the link to the flyer.
