2024-2026 Grow Your Own High School Education and Training

Program Description PS3013 - Program Plan

A. Standard Statutory/Program Assurances

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.

- The applicant provides assurance that program funds will supplement (increase the level of service), and not supplant (replace) state mandates, State Board of Education rules, and activities previously conducted with state or local funds. The applicant provides assurance that state or local funds may not be decreased or diverted for other purposes merely because of the availability of these funds. The applicant provides assurance that program services and activities to be funded from this LOI will be supplementary to existing services and activities and will not be used for any services or activities required by state law, State Board of Education rules, or local policy.
- The applicant provides assurance that the application does not contain any information that would be protected by the Family Educational Rights and Privacy Act (FERPA) from general release to the public.
- The applicant provides assurance to adhere to all the Statutory and TEA Program requirements as noted in the 2024-2026 Grow Your Own Education and Training for High School Pathways Program Guidelines.
- The applicant provides assurance to adhere to all the Performance Measures, as noted in the 2024-2026 Grow Your Own Education and Training for High School Pathways Program Guidelines, and shall provide to TEA, upon request, any performance data necessary to assess the success of the program.
- The applicant assures that any Electronic Information Resources (EIR) produced as part of this agreement will comply with the State of Texas Accessibility requirements as specified in 1 Texas Administrative Code (TAC) 206, 1 TAC Chapter 213, Federal Section 508 standards, and the Web Content Accessibility Guidelines (WCAG) 2.0 level AA.

B. TEA Program Assurances Regarding the Memorandum of Understanding

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.

- a. By May 31, 2024, the LEA must have a signed letter of commitment or MOU for all Education & Training teachers that receive a stipend through the Grow Your Own Grant. At minimum, the MOU should include the following: i. Grant assurances listed under "2. Education and Training Course Implementation" and "3. Education and Training Supports" ii. Agreement to serve as an Education and Training teacher of record for the full two-year grant timeline iii. Total stipend amount that the teacher will receive iv. Stipend payment schedule (disbursed over the two-year grant timeline and no earlier than Fall 2024) and payment process for the teacher recipient
- b. If using grant funding for field site teacher stipends, the LEA must have a signed agreement for all field site teachers that receive a stipend through the Grow Your Own Grant.
- c. If implementing dual credit Education and Training courses, by May 31, 2024, the LEA must have a signed letter of commitment or MOU for the partnering Institution of Higher Education (IHE). At minimum, the MOU should include the following: i. Grant assurances listed under "2. Education and Training Course Implementation" and "3. Education and Training Supports" ii. Length of agreement for IHE partnership
- d. The LEA will retain documentation locally of each MOU and submit it to TEA upon request.

C. TEA Program Assurances Regarding the Education and Training Course Implementation (must be included in MOUs)

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.

- a. The LEA assures that each high school campus within the participating LEA will implement at least the Instructional Practices and/or Practicum courses in the Education and Training course sequence in 2024-2025, and at least both stated courses in 2025-2026, with the teachers receiving the stipend as teachers of record for both courses or either course. i. For example, the LEA selects an eligible, non-dual credit Education and Training teacher to receive a stipend through the Grow Your Own grant. The LEA pays the teacher a stipend disbursed over the two-year grant timeline starting in Fall 2024. The teacher stipend recipient serves as the teacher of record for Instructional Practices in 2024-2025 and both Instructional Practices and Practicum in 2025-2026.
- b. To receive a stipend for teaching dual credit, an Education and Training teacher must hold a master's degree in an education-related field and be the teacher of record for at least one dual credit course section in 2024-2025 and two dual credit course sections in 2025-2026 within the Education and Training course sequence.
- c. All LEA high schools must establish and/or grow a chapter of a Career and Technical Student Organization (CTSO) that supports the Education and Training career cluster through either the Texas Association of Future Educators (TAFE) or Family, Career and Community Leaders of America (FCCLA) and participate in at least one competitive event per year.

2024-2026 Grow Your Own High School Education and Training

Program Description PS3013 - Program Plan

D. TEA Program Assurances Regarding Education and Training Supports (must be included in MOUs)

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
- a. The LEA assures that all LEA high schools participate in a TEA-led virtual workshop in Summer 2024. All Education and Training teacher stipend recipients, principals, counselors, and LEA grant managers must attend. Participants who attended any previous Grow Your Own Summer Institutes must still attend.
 - b. The LEA assures that each Education and Training teacher stipend recipient will pilot the TEA Education and Training curriculum. If they are using a dual credit or different high-quality curriculum, the LEA must provide the corresponding scope and sequence(s) and/or evidence of course offerings.
 - c. The LEA assures that each Education and Training teacher stipend recipient will receive TEA implementation supports and coaching by participating in online collaborative communities to be scheduled by TEA, not to exceed 6 hours per semester.
 - d. The LEA assures that Education and Training teacher stipend recipients participate in surveys and, if requested, focus groups not to exceed 1 hour per semester and administered by TEA to receive input on the Education and Training programming.
 - e. LEA grant managers shall support Practicum in Education and Training implementation, including but not limited to student scheduling, identifying field sites and field site teachers, and coordinating student transportation to field sites.

E. TEA Program Assurances Regarding Performance Reporting

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
- a. LEAs shall develop a marketing and recruitment plan to increase enrollment in high school Education and Training courses. Upon request, all LEA high schools will submit their plan for marketing and student recruitment to TEA each year.
 - b. The LEA must, upon request, submit reports on progress towards performance measures to TEA. If requested, LEAs must participate in focus groups and surveys to give input on the Education and Training programming.
 - c. By May 31, 2024, all grant-funded teachers must be identified and submitted to TEA.

F. TEA Program Assurances Regarding Amendments (See the General and Fiscal Guidelines, Amending the Application)

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
- a. If a teacher is unable to continue with the grant program, LEAs must file an application amendment and provide TEA with an update of the new amount of teacher stipend recipient(s) within 30 days of notification.
 - b. LEAs must file application amendments within 7 days of a request from TEA.

G. TEA Program Assurances Regarding Eligibility Requirements of Stipend Recipients

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required. The LEA assures that it will select stipend recipients according to the following eligibility requirements:
- 1. Non-dual credit teachers of record for Principles of Education and Training, Instructional Practices, and/or Practicum in Education and Training a. Teachers must hold a standard or life teacher certificate in the state of Texas (note: any Texas teaching certificate qualifies teachers to teach Principles of Education and Training, Instructional Practices, and Practicum in Education and Training). b. As of the grant start date (June 1, 2024), teachers must have been employed as a teacher within the eligible LEA during the 2023-2024 school year; participants may not be new employees of the LEA in the 2024-2025 school year. c. Teachers must show measurable evidence of student achievement within a diverse student population. d. Teachers must attend the TEA-led Summer 2024 Grow Your Own Grant workshop, implement the TEA Education and Training curriculum (unless provided evidence of other high-quality curriculum), and participate in online collaborative communities.
 - 2. Dual credit teachers of record who teach Instructional Practices and/or Practicum in Education and Training a. Teachers must hold a standard or life teacher certificate in the state of Texas (note: any Texas teaching certificate qualifies teachers to teach Principles of Education and Training, Instructional Practices, and Practicum in Education and Training). b. As of the grant start date (June 1, 2024), teachers must have been employed as a teacher within the eligible LEA during the 2023-2024 school year; participants may not be new employees of the LEA in the 2024-2025 school year.
 - 2. Dual credit teachers of record who teach Instructional Practices and/or Practicum in Education and Training c. Teachers must show measurable evidence of student achievement within a diverse student population. d. Teachers must attend the TEA-led Summer 2024 Grow Your Own Grant workshop, implement the TEA Education and Training curriculum (unless provided evidence of other high-quality curriculum), and participate in online collaborative communities. e. Teachers receiving the dual credit stipend must hold a master's degree with 18 credit hours in education and be able to be approved by the partner IHE as a dual credit instructor.
 - 3. Education and Training field site teachers a. Teachers who, along with the Education and Training stipend teacher recipient, jointly directs and supervises high school Education and Training students participating in Instructional Practices and/or Practicum in Education and Training courses. b. Teachers must show measurable evidence of student achievement within a diverse student population.

2024-2026 Grow Your Own High School Education and Training

Program Description PS3014 - Program Narrative

Please include complete responses for each question below.

A. Summary of Program

1. Provide an overview of the program to be implemented with grant funds. Include the overall mission and specific needs of the organization. Describe how the Grow Your Own grant will address the LEA's teacher pipeline needs.

The Education and Training Career Cluster/Teaching and Training Program of Study would be the beneficiary of the Grow Your Own grant. Our students follow a coherent sequence of classes, which ultimately ends with placement in a classroom through the Practicum in Education and Training. Additionally, students in the Teaching and Training Program of Study are part of the dual credit program with our local Institution of Higher Education. The students in this program of study go into classrooms and work with teachers and learn to plan instruction, whether it be individualized lessons or group activities and also support other responsibilities of classroom teachers. Specific needs of the organization include instructional materials that can be used in the classroom with students (examples include but are not limited to leveled readers, manipulatives, etc.), student exposure to high needs areas and to build interest in the program and teaching profession. This grant will help to support our students in a variety of ways: some will go to college and as part of our program, have an opportunity to return to the district as a classroom teacher and others will go into the workforce (perhaps like a daycare), and will able to support student learning in that setting.

B. Qualifications and Experience for Key Personnel

1. Outline the required qualifications and experience for primary project personnel and any external consultants projected to be involved in the implementation and delivery of the program. Include whether the position is existing or proposed. Include each of the following individuals and a description of each role: the LEA's grant manager, LEA leaders involved in program implementation, the campus principals, college/career counselors, and teachers of participating Education and Training high schools, and any other personnel responsible for implementation the grant.

Existing Positions: The grant manager is also the CTE Director, who works closely with the teacher of the Teaching and Training Program of Study. This person will help support the teacher in purchasing, decision making, evaluation of the program, and so forth. The campus principal, other administrators, and counselors will support the Program of Study in a variety of ways, through advertising of the program, recruiting, and advising students (as they would do with all programs/students). Additional district staff include the teachers who supervise and work with the high school students from within the program. The teacher of this program of study is a current recipient of the Grow Your Own grant, and would continue to train students and facilitate their placements.

2. Please continue the response here if needed. Please enter N/A if the additional space is not needed.

N/A

C. Goals, Objectives and Strategies

1. Describe the major goals/objectives of the proposed program. What activities/strategies will be implemented to meet those goals/objectives? Include a description of the talent management strategy including your LEA's approach to recruiting, hiring, and retaining qualified teachers, related to those goals/objectives.

The goal of the program is to train future educators; ultimately, we would like them to return to teach in Crandall ISD. Activities an strategies to support future teachers includes but is not limited to: working with quality teachers to observe instruction and participate in/lead lessons, training student teachers on all things classroom (planning, instruction, management, building relationships, etc.), and providing student teachers with skills they can implement immediately. Human resources also supports this initiative. At the end of the school year, practicum students in this program of study are celebrated through a district led signing day. Students are issued a letter of intent, which indicates that upon graduating from college, students are eligible to return to CISD as a classroom teacher. The HR department works to recruit, retain, and reward teachers of CISD. This is especially important as we continue to face a teacher shortage.

D. Performance and Evaluation Measures

1. Describe the performance measures identified for this program which are related to student outcomes and are consistent with the purpose of the program. Include the tools used to measure performance, as well as the processes that will be used to ensure the effectiveness of project objectives and strategies.

Performance measures for this program will include student grades, student teacher feedback, student feedback, CTE indicator coding (completer, concentrator, etc.), and IBC data. The teacher with a student placed in their classroom provides feedback to the program of study teacher regarding student progress on instructional planning, lesson implementation, and day to day operations. As appropriate, the program of study teacher shares that information with students in an effort to coach them up. Students also provide feedback and self reflect on their progress each nine weeks. CTE indicator coding is part of the PEIMS submission progress; the data is tracked and reviewed with counselors and campus administration to identify students who did not complete the program and to discover what program of study they moved into. The HR department will also help in tracking students who sign their letter of intent.

E. Budget Narrative

1. Describe how the proposed budget will meet the needs and goals of the program, including for staffing, supplies and materials, contracts, travel, etc. If applicable, include a high-level snapshot of funds currently allocated to similar programs. Include a short narrative describing how adjustments will be made in the future to meet needs. This question has been broken into two sections. Please enter "NA" for the second section if the additional space is not needed. Outline the proposed budget and amounts for funding the grant program through the following allowable uses: a. Education and Training stipend(s) disbursed over the two-year grant timeline and no earlier than Fall 2024 b. Education and Training field site teacher stipend(s) disbursed within the first, second, or both years of the grant timeline (specify accordingly) and no earlier than Fall 2024

The proposed budget would aide in retaining staff that teach within the program of study. Supplies and materials are needed to support student learning as we prepare students for the field of education. We would like them to be exposed to a variety of instructional materials to better prepare them to walk into a classroom. We would like to consider bringing in at least one outside guest who could provide training to the students, whether it be on instructional strategies or classroom management. If selected, we would propose the following use:
a) \$11,000 disbursed over two years in accordance with the grant (there is currently one teacher who has a master's degree and is teaching DC in the practicum class)
b) \$2,000 to disburse to the field site teacher stipend(s)

2. c. Implementation costs, limited to: i. Student transportation to and from E&T field sites for Instructional Practices and/or Practicum courses ii. CTSO event/conference participation, membership fees, and travel costs iii. Substitute coverage for teachers to participate in implementation supports and CTSO activities d. Additional funding for high schools: i. Without existing E&T courses in the 2023-2024 school year, or ii. Implementing dual credit E&T courses beginning in the 2024-2025 school year

c) \$5,000 transportation to and from the field site, CTSO (TAFE) event/conference participation, membership fees, travel cost, substitute teacher coverage.
d) We had E&T courses in 23-24 and were able to pick up DC for the 23-24 school year.

G. Additional TEA Program Requirements

1. Stipend Recipient Recruitment: Describe the plan to recruit Education and Training teachers and field site teachers who are interested and eligible in participating in the program and receiving stipends. The plan must include strategies to equitably recruit diverse individuals and identify individuals with potential criteria including a demonstrated track record of success and/or achievement, involvement in student organizations and/or school activities, strong evaluation ratings, and strong relationships with students.

In recruiting and selecting field site teachers, the Education and Training teacher works with campus administrators to discuss the availability of possible teachers. The conversation is based on finding strong teachers who are campus leaders and are involved at the campus and/or district level as well as those who build rapport with students. The E&T teacher then begins to speak with teacher leaders to discuss what the role looks like and answer any questions. In conjunction with support from the campus administrator, the teacher works to select master teachers from a variety of backgrounds and experiences. During this time, student personalities are also considered to place students in the best fit (so that teachers want to continue hosting students and students want to remain in the program).

2. Program Implementation Support: Describe the types of support that will be provided to Education and Training teacher stipend recipients to ensure successful implementation of the curriculum and program. The definition of successful programming should align with the major goals/objectives of the program.

The director meets with the E&T teacher regularly to discuss ongoing happenings, solicit and reflect on feedback, and to problem solve. We also work together to plan ahead for recruiting strategies as well as retention strategies so that students want to remain in the program and finish as a completer. Financially, we work to support the teacher/student/classroom needs and work with HR to support the end celebration.
