2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3013 - Program Plan

A. Standard Statutory/Program Assurances

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
- The applicant provides assurance that program funds will supplement (increase the level of service), and not supplant (replace) state mandates, State Board of Education rules, and activities previously conducted with state or local funds. The applicant provides assurance that state or local funds may not be decreased or diverted for other purposes merely because of the availability of these funds. The applicant provides assurance that program services and activities to be funded from this IDC will be supplementary to existing services and activities and will not be used for any services or activities required by state law, State Board of Education rules, or local policy.
 - The applicant provides assurance that the application does not contain any information that would be protected by the Family Educational Rights and Privacy Act (FERPA) from general release to the public.
 - The applicant provides assurance to adhere to all the Statutory and TEA Program requirements as noted in the 2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program Program Guidelines.
 - The applicant provides assurance to adhere to all the Performance Measures, as noted in the 2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program Program Guidelines, and shall provide to TEA, upon request, any performance data necessary to assess the success of the program.
 - The applicant assures that any Electronic Information Resources (EIR) produced as part of this agreement will comply with the State of Texas Accessibility requirements as specified in 1 Texas Administrative Code (TAC) 206, 1 TAC Chapter 213, Federal Section 508 standards, and the Web Content Accessibility Guidelines (WCAG) 2.0 level AA.

B. Program Assurances Regarding Applicant-EPP Partnership

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
- A. The applicant must assure that they have a signed letter of commitment with an educator preparation program included on the Vetted Teacher Residency Program list. The letter should confirm the partnership with the applicant for year-long residencies, and the EPP's commitment to strategic staffing efforts and partnership responsibilities outlined in the grant assurances.
 - B. The applicant must assure that they will hold structured governance meetings with their EPP partner at least quarterly to analyze teacher resident data and develop plans for teacher residency continuous improvement during the SY 25-26 residency implementation year.
 - C. The applicant must assure that they will provide preferential hiring, to the greatest extent possible, to teacher residents who have successfully completed the teacher residency program and received standard certification.
 - D. The applicant must assure that they will report the following data to TEA during the SY 25-26 grant implementation year: I. Number of teacher residents participating in the year-long teacher residency, II. Demographics of teacher residents participating in the program, III. Number and type of teacher certifications awarded to teacher residents IV. Selected staffing models implemented

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3013 - Program Plan

C. Texas Strategic Staffing (TSS) Technical Assistance for Design and Implementation and Shared District/Charter and EPP

Assurances

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
 - A. The applicant and their EPP partner(s) assure to sign a letter of commitment or an established memorandum of understanding (MOU) with the regional Texas Strategic Staffing technical assistance provider or, where necessary, TEA appointed technical assistance provider.
 - B. The applicant must assure that the lead point-person would be engaged in all the strategic staffing responsibilities during the design and implementation year, including coordinating with other key district/charter leadership at various points of the design process, and manage implementation year.
 - C. The applicant must assure they will work closely with a technical assistance provider for the 24-25 and 25-26 school years to make key decisions and design structures that enable internal capacity to continue the strategic staffing models without the support of the technical assistance provider in SY 2026-2027 and beyond.
 - D. The applicant and their partner EPP(s) must assure they will set shared goals for district/charter paid resident placements in mutually beneficial staffing model positions.
 - E. The applicant and EPP partner must assure that the teacher resident year-long clinical teaching assignment provides candidates with one full school year of clinical teaching, to include the first and last day of school, in a classroom with a qualified host teacher in the classroom teaching assignment(s) that matches the certification category sought by the candidate. The residency must include a minimum of 750 hours in total, with a minimum of 21 hours per week during a school week that does not include closures or disruptions, and the program must document reduced clinical experience hours during weeks with closures or disruptions. (Please note: Updates to this requirement may occur pending State Board of Educator Certification (SBEC) revisions to Texas Administrative Code establishing rules for vetted residency programs. Requirements for the residency experience will align with any rules adopted into TAC for 24-25 or 25-26.)
 - F. The applicant and EPP partner must assure that they will provide training and support in mentorship and co-teaching best practices for host teachers.
 - G. The applicant and EPP partner must assure that they will adhere to all educator preparation program requirements in the Texas Administrative Code (TAC).
 - H. The applicant must assure that a designated team of district/charter, campus, and partner EPP-level leaders will actively participate in strategic staffing model training and technical assistance support activities beginning in SY 2024-2025. The designated team must include at least one district/charter and EPP-level leader and a selected set of leaders from each campus on which teacher residents are placed.
 - I. The applicant and EPP must attend sustainability meetings with their technical assistance provider each semester of SY 2025-2026 implementation year in order to determine sustainable strategic staffing model and funding sources after the life of the grant.
 - J. The applicant must assure that they will design and implement a strategic staffing model plan that will ensure that the teacher residency model will be sustainable, fully-funded by district/charter dollars, by SY 2025-2026. The plan must include sustainable funding for teacher resident stipends/salaries.

D. Program Assurances Regarding High-Quality, Sustainable Residency Funding

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
 - A. The applicant must assure that they will provide each teacher resident placed within the district/charter a stipend. Districts/Charters will work with their EPP to mutually agree on a stipend amount. The minimum recommended stipend amount per resident is \$10,000-\$12,000 per year; districts and EPPs should make a good faith effort to get as close as possible to (or higher than) the recommended stipend amount.
 - B. The applicant must assure that they will allocate and use the residency and strategic staffing implementation funding specifically for program specific requirements.

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3014 - Program Narrative

Please include complete responses for each question below.

A. Summary of Program

1. Provide an overview of the program to be implemented with grant funds. Include the overall mission and specific needs of the organization. Describe how the program will address the mission and needs.

Farmersville ISD will strive to increase the capacity of its existing resident teacher program by recruiting a second EPP to provide additional candidates. The district currently has an agreement with Texas A&M Commerce and was able to place six resident teachers for the 2023-2024 school year. However, due to declining enrollment in the Texas A&M Commerce residency program, Farmersville ISD was only able to place three candidates for the 2024-2025 school year. In order to achieve the mission of having a sustainable residency program capable of providing at least six resident teachers per school year, Farmersville ISD needs to seek additional funding and EPP partners for the future.

B. Qualifications and Experience for Key Personnel

1. Outline the required qualifications and experience for primary project personnel and any external consultants projected to be involved in the implementation and delivery of the program. Include whether the position is existing or proposed.

Farmersville ISD – Director of Human Resources/Student Services – Wayne Callaway
Mr. Callaway has a Master’s Degree in Educational Administration, a superintendent’s certification, and over 26 years of experience as a campus and central office administrator.

C. Goals, Objectives and Strategies

1. Describe the major goals/objectives of the proposed program. What activities/strategies will be implemented to meet those goals/objectives?

The primary objective of this initiative is to increase the district’s resident teacher program capacity by soliciting an additional EPP’s participation in addition to the current agreement with Texas A&M Commerce. The district is very happy with the current substitute teacher model used in the resident teacher program. The district needs additional resident teacher candidates as it continues to grow and add additional campuses.

2. If needed, use this space to continue the Goals, Objectives and Strategies response. Enter N/A if the additional space is not needed.

N/A

D. Performance and Evaluation Measures

1. Describe the performance measures identified for this program which are related to student outcomes and are consistent with the purpose of the program. Include the tools used to measure performance, as well as the processes that will be used to ensure the effectiveness of project objectives and strategies.

Farmersville ISD will continue to evaluate the effectiveness of the resident teacher program through administrator and mentor teacher evaluations of resident teacher candidates. The T-TESS appraisal system will be the primary evaluation tool used by district personnel. The program will also be evaluated based on the number of resident teachers who successfully complete the program and are able to fill future vacancies in the district. In order for this program to be sustainable, resident teachers must become a viable source of future teacher candidates for the district.

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3014 - Program Narrative

E. Budget Narrative

1. Describe how the proposed budget will meet the needs and goals of the program, including for staffing, supplies and materials, contracts, travel, etc. If applicable, include a high-level snapshot of funds currently allocated to similar programs. Include a short narrative describing how adjustments will be made in the future to meet needs.

Farmersville ISD is requesting \$80,000 over the period of performance for this grant to partially fund the Director of Human Resources/Student Services to align with the time and effort spent on the teacher residency program. With this grant, Farmersville ISD will continue to grow the program by seeking out at least one additional EPP in order to recruit additional teacher residents and be able to not only sustain, but grow our resident teacher program. Pending future needs of the teacher resident program, Farmersville ISD will periodically evaluate the effectiveness of our resident teacher program and adjust program plans accordingly. Adjustments could include but would not be limited to the percentage of time and effort spent on the program by the director, future needs for supplies, and/or travel.

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3014 - Program Narrative

G. TEA Program Requirements

1. 1. Description of instructional and talent development needs and strategies: The program elements describe how teacher residencies will be made sustainable through strategic staffing models where residents support other instructional needs in the district/charter, such as substitute teaching or para-professional responsibilities (among other options). Describe the instructional and talent pipeline needs of your LEA. a. What vacancies (if any) exist in your district? b. What other instructional needs exist? How could residencies address this issue? (e.g., Tutoring support, small group Tier I support, etc.) c. How do paid teacher residencies fit into your broader talent strategy this year? For the next five years?

Farmersville ISD uses the Substitute Teacher model to help sustain the residency program. Not only does this model provide resident teachers with a broader spectrum of teaching experiences, it also helps offset some of the district's expenses by reducing substitute teacher costs. The resident teacher program gives both the resident teacher candidate and the district the opportunity to "test drive" the experience of working in the district. Resident teachers also provide valuable in-class support during their residency, allowing a smaller teacher-student ratio, the use of small group instruction, etc. At the conclusion of the 23-24 school year, FISD will be hiring at least two of the six resident teachers from this year to fill vacancies for the next year.

2. If needed, use this space to continue the previous response. Enter N/A if the additional space is not needed.

N/A

3. 2. Commitment of local resources: Please review the Program Elements section of the program guidelines. How will you, alongside your partner EPP, commit resources and time to 1) the year-long design process and 2) the implementation support year? Please share the following information: a. Who from the district/charter will be leading this work? Is their role a new or existing one? b. How does their role fit into broader talent management at your district? c. How will you track and maintain evidence of this district/charter lead's time? d. What will the person in this role do after the grant ends? How might you fund this role after the grant ends?

The Director of Human Resources will be coordinating the year-long design process with the support of the EPP representative and Region 10 ESC consultant. This function is a part of their existing role as the director of the personnel department in charge of recruitment, substitute teacher program, etc. The director keeps a daily time log documenting the time spent on the resident teacher program and other HR related activities. Once this grant program ends, the Director of HR will continue to monitor the resident teacher program and perform their job duties. This position will be funded by local funds upon the conclusion of this grant unless additional grant funds are awarded.

4. If needed, use this space to continue the previous response. Enter N/A if the additional space is not needed.

N/A

5. 3. Description of partnership foundations: Applicants may have one or more EPP partners from the 2023-2024 Vetted Teacher Residency Program List (link located on TEA Grant Opportunities page). Please list your partner(s) and the following partnership foundations information: a. If applicable, how many years have you been engaged in a residency partnership? If the EPP partnership is new, how did your LEA staff decide to partner with this EPP? b. If applicable, how many residents have you placed each year of that partnership?

Farmersville ISD currently has a partnership with Texas A&M Commerce in regard to the resident teacher program. This partnership began in 2022-2023 during the design process and continued during the first year of implementation (2023-2024.) A total of six residents were placed during the 2023-2024 school year from Texas A&M Commerce. Unfortunately, due to lower resident candidate enrollments and decreased stipends (due to expiration of the previous grant), only three candidates have been placed for the 2024-2025 school year

6. c. If applicable, describe your practices for shared governance, or the review of residency program data to inform shared decision-making about teacher candidate and host teacher supports. How often do you meet with your EPP partners to review this data? As a partnership, how do you manage follow-up and response to data? If the partnership is new, describe what plans you and the EPP have for the questions above. d. Describe any other key features of your partnership's progress toward building a residency program.

Farmersville ISD meets approximately every 6-8 weeks with the EPP partners and Region 10 consultant to review program details and progress. Regular email communication and phone calls between the FISD Director of Human Resources, EPP representatives, and the Region 10 consultant occur whenever issues arise. The district feels the relationship with the current EPP is a very productive one. However, there is a need for an additional source of resident teacher candidates to supplement the numbers since the district is entering a time of rapid growth. With demographic projections showing a growth from approximately 2300 students to between 4000-5000 in the next 5-7 years, the district will need an increased number of resident teachers and new teachers.

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3014 - Program Narrative

7. 4. Commitment to shared communication: Describe how you will maintain strong communication throughout the design and implementation of the sustainable teacher residency program with your EPP partners and your technical assistance provider. a. How will you demonstrate evidence of communication and ongoing engagement with your partner and provider? b. If this is an existing partnership, what shared processes or norms do the LEA staff and EPP faculty currently have in place in order to address issues with residency (e.g., challenges for residents, host teachers, school sites, etc.)? c. If this is a new partnership, how does the LEA plan to work with the EPP to manage issues that arise with residency (e.g., challenges for residents, host teachers, school sites, etc.)?

Farmersville ISD is committed to having a strong communication system with both its EPP partners and the technical assistance provider. Regular design and governance meetings will be held with additional email and phone communication used as needed. The Director of Human Resources is able to quickly get responses from both the technical assistance provider at Region 10 and the EPP representative whenever needed.

8. If needed, use this space to continue the previous response. Enter N/A if the additional space is not needed.

N/A

9. 5. If you have previously engaged in Strategic Staffing or previously received Texas COVID Learning Acceleration Supports (TCLAS) Decision 5 or the 23-25 Strategic Staffing grants, describe your plans for this grant. a. What data is driving the decision to engage in another cycle of design and implementation of Strategic Staffing? b. What new instructional needs have arisen? c. What are your goals for this second round of design? The second year of implementation? If your district has not previously engaged in Strategic Staffing, please enter N/A.

Farmersville ISD needs the new grant funds provided under the Texas Strategic Staffing Grant to help the district's resident teacher program to become fully sustainable. A combination of the ending of the TCLAS Decision 5 grant (leading to lower district provided stipends) and declining enrollment in the EPP's residency program has led to lower numbers of resident teacher candidates applying for positions at the district. This new grant would be used to seek out at least one additional EPP partner and to further refine the district's program to make it fully sustainable. As mentioned earlier, as the district continues to experience rapid growth, there is an increased need for additional resident teacher candidates to meet the needs of the district. There is concern that the current EPP partnership may not be able to meet these increased needs.

10. If needed, use this space to continue the previous response. Enter N/A if the additional space is not needed.

11. 6. For districts/charters that have engaged in an Effective Schools Framework (ESF) diagnostic process during or before the 23-24 school year, please provide the year the district went through the diagnostic and the priority focus area in the space below. If your district is also taking part in the 23-24 pilot of Texas Strategic Leadership (TSL), please note this here. If this question does not apply you, please enter N/A.
