2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3013 - Program Plan

A. Standard Statutory/Program Assurances

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
- The applicant provides assurance that program funds will supplement (increase the level of service), and not supplant (replace) state mandates, State Board of Education rules, and activities previously conducted with state or local funds. The applicant provides assurance that state or local funds may not be decreased or diverted for other purposes merely because of the availability of these funds. The applicant provides assurance that program services and activities to be funded from this IDC will be supplementary to existing services and activities and will not be used for any services or activities required by state law, State Board of Education rules, or local policy.
 - The applicant provides assurance that the application does not contain any information that would be protected by the Family Educational Rights and Privacy Act (FERPA) from general release to the public.
 - The applicant provides assurance to adhere to all the Statutory and TEA Program requirements as noted in the 2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program Program Guidelines.
 - The applicant provides assurance to adhere to all the Performance Measures, as noted in the 2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program Program Guidelines, and shall provide to TEA, upon request, any performance data necessary to assess the success of the program.
 - The applicant assures that any Electronic Information Resources (EIR) produced as part of this agreement will comply with the State of Texas Accessibility requirements as specified in 1 Texas Administrative Code (TAC) 206, 1 TAC Chapter 213, Federal Section 508 standards, and the Web Content Accessibility Guidelines (WCAG) 2.0 level AA.

B. Program Assurances Regarding Applicant-EPP Partnership

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
- A. The applicant must assure that they have a signed letter of commitment with an educator preparation program included on the Vetted Teacher Residency Program list. The letter should confirm the partnership with the applicant for year-long residencies, and the EPP's commitment to strategic staffing efforts and partnership responsibilities outlined in the grant assurances.
 - B. The applicant must assure that they will hold structured governance meetings with their EPP partner at least quarterly to analyze teacher resident data and develop plans for teacher residency continuous improvement during the SY 25-26 residency implementation year.
 - C. The applicant must assure that they will provide preferential hiring, to the greatest extent possible, to teacher residents who have successfully completed the teacher residency program and received standard certification.
 - D. The applicant must assure that they will report the following data to TEA during the SY 25-26 grant implementation year: I. Number of teacher residents participating in the year-long teacher residency, II. Demographics of teacher residents participating in the program, III. Number and type of teacher certifications awarded to teacher residents IV. Selected staffing models implemented

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3013 - Program Plan

C. Texas Strategic Staffing (TSS) Technical Assistance for Design and Implementation and Shared District/Charter and EPP

Assurances

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
 - A. The applicant and their EPP partner(s) assure to sign a letter of commitment or an established memorandum of understanding (MOU) with the regional Texas Strategic Staffing technical assistance provider or, where necessary, TEA appointed technical assistance provider.
 - B. The applicant must assure that the lead point-person would be engaged in all the strategic staffing responsibilities during the design and implementation year, including coordinating with other key district/charter leadership at various points of the design process, and manage implementation year.
 - C. The applicant must assure they will work closely with a technical assistance provider for the 24-25 and 25-26 school years to make key decisions and design structures that enable internal capacity to continue the strategic staffing models without the support of the technical assistance provider in SY 2026-2027 and beyond.
 - D. The applicant and their partner EPP(s) must assure they will set shared goals for district/charter paid resident placements in mutually beneficial staffing model positions.
 - E. The applicant and EPP partner must assure that the teacher resident year-long clinical teaching assignment provides candidates with one full school year of clinical teaching, to include the first and last day of school, in a classroom with a qualified host teacher in the classroom teaching assignment(s) that matches the certification category sought by the candidate. The residency must include a minimum of 750 hours in total, with a minimum of 21 hours per week during a school week that does not include closures or disruptions, and the program must document reduced clinical experience hours during weeks with closures or disruptions. (Please note: Updates to this requirement may occur pending State Board of Educator Certification (SBEC) revisions to Texas Administrative Code establishing rules for vetted residency programs. Requirements for the residency experience will align with any rules adopted into TAC for 24-25 or 25-26.)
 - F. The applicant and EPP partner must assure that they will provide training and support in mentorship and co-teaching best practices for host teachers.
 - G. The applicant and EPP partner must assure that they will adhere to all educator preparation program requirements in the Texas Administrative Code (TAC).
 - H. The applicant must assure that a designated team of district/charter, campus, and partner EPP-level leaders will actively participate in strategic staffing model training and technical assistance support activities beginning in SY 2024-2025. The designated team must include at least one district/charter and EPP-level leader and a selected set of leaders from each campus on which teacher residents are placed.
 - I. The applicant and EPP must attend sustainability meetings with their technical assistance provider each semester of SY 2025-2026 implementation year in order to determine sustainable strategic staffing model and funding sources after the life of the grant.
 - J. The applicant must assure that they will design and implement a strategic staffing model plan that will ensure that the teacher residency model will be sustainable, fully-funded by district/charter dollars, by SY 2025-2026. The plan must include sustainable funding for teacher resident stipends/salaries.

D. Program Assurances Regarding High-Quality, Sustainable Residency Funding

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
 - A. The applicant must assure that they will provide each teacher resident placed within the district/charter a stipend. Districts/Charters will work with their EPP to mutually agree on a stipend amount. The minimum recommended stipend amount per resident is \$10,000-\$12,000 per year; districts and EPPs should make a good faith effort to get as close as possible to (or higher than) the recommended stipend amount.
 - B. The applicant must assure that they will allocate and use the residency and strategic staffing implementation funding specifically for program specific requirements.

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3014 - Program Narrative

Please include complete responses for each question below.

A. Summary of Program

1. Provide an overview of the program to be implemented with grant funds. Include the overall mission and specific needs of the organization. Describe how the program will address the mission and needs.

The Teacher Preparation Advancing Certified Educators (TPACE) program represents the Mesquite ISD brand for our on-the-job training program for education majors. This program is an extension of our more than 30-year history of training Teacher Residents from Texas A&M Commerce and Student Teachers from numerous universities. TPACE directly supports improving student achievement. Through our work with Dennis Taylor and the TCLAS Decision 5 Design and Implementation years, we solidified systems and processes to ensure excellence in developing teachers for Mesquite ISD. With more than 60% of Mesquite ISD new teachers not having formal educator training, we see the immense need for the unique training provided in the teacher residency program. We have the vision that compensating teacher candidates in their training year will help shift the paradigm to attract and retain more potential teachers.

B. Qualifications and Experience for Key Personnel

1. Outline the required qualifications and experience for primary project personnel and any external consultants projected to be involved in the implementation and delivery of the program. Include whether the position is existing or proposed.

Mesquite ISD has two existing positions that work together to administer the TPACE program. Jennifer Hiser, Coordinator of Professional Learning serves as administrator of the program. She has corporate finance experience and 19 years of experience in education teaching elementary, middle, and high school, in addition to college courses. In her current role she oversees several of the pathways employees and community members can take to become a teacher. Dr. Susan Williams, Texas A&M Commerce Site Coordinator, works closely with Ms. Hiser on all aspects of the program. Dr. Williams trains preservice teachers (EC-6 and 4-8) who choose Mesquite ISD as their placement for the year-long student resident (previously student teaching) program. Student residents are interns during the first semester and teacher residents for clinical teaching during the second semester.

C. Goals, Objectives and Strategies

1. Describe the major goals/objectives of the proposed program. What activities/strategies will be implemented to meet those goals/objectives?

Mesquite ISD prioritizes excellence in its teacher preparation program, employing rigorous protocols to ensure the quality of Teacher Residents and Host Teachers. The success of the program hinges on transparent communication and timely feedback from both districts and Educator Preparation Programs (EPPs) throughout the comprehensive application, interview, selection, and training phases for both groups. Mesquite ISD, Texas A&M Commerce and Region 10's Technical Assistance designed and implemented a strong pipeline for residents to provide an experience where they want to stay and teach in the district post-graduation. With strong senior management support and a commitment to sharing experiences openly, including challenges and successes, Mesquite ISD remains dedicated to investing in the best practices for teacher development and achieving positive outcomes, including the placement of multiple certified teachers post-graduation to maximize student achievement.

D. Performance and Evaluation Measures

1. Describe the performance measures identified for this program which are related to student outcomes and are consistent with the purpose of the program. Include the tools used to measure performance, as well as the processes that will be used to ensure the effectiveness of project objectives and strategies.

Performance and evaluation measures include monitoring classroom walkthroughs, T-Tess evaluations, district checkpoints and summative assessments for students. Mid-year and end-of-year conferences also provide insightful data gathered from Teacher Residents, Host Teachers, and Principals. Close contact with all stakeholders allows for concerns to be addressed and supported to ensure both Teacher Residents and students succeed.

E. Budget Narrative

1. Describe how the proposed budget will meet the needs and goals of the program, including for staffing, supplies and materials, contracts, travel, etc. If applicable, include a high-level snapshot of funds currently allocated to similar programs. Include a short narrative describing how adjustments will be made in the future to meet needs.

The proposed budget would cover the 1/2 of the cost of the salary and benefits for the Coordinator of Professional Learning who is responsible for the oversight and management of the TPACE program as well as implementation and compliance of the 2024-2026 Texas Strategic Staffing Grant for Sustainable Paid Teacher Residency Program grant. over the two years. \$80,000 total.

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3014 - Program Narrative

G. TEA Program Requirements

1. Description of instructional and talent development needs and strategies: The program elements describe how teacher residencies will be made sustainable through strategic staffing models where residents support other instructional needs in the district/charter, such as substitute teaching or para-professional responsibilities (among other options). Describe the instructional and talent pipeline needs of your LEA. a. What vacancies (if any) exist in your district? b. What other instructional needs exist? How could residencies address this issue? (e.g., Tutoring support, small group Tier I support, etc.) c. How do paid teacher residencies fit into your broader talent strategy this year? For the next five years?

MISD currently has over 100 teaching vacancies and this list grows weekly. Many teachers are leaving mid-year and others are choosing to retire before the end of the school year. Less than half of new teachers hired in the past few years having formal education training, MISD's Teacher Residents provide a valuable infusion of experience among new teachers. In addition, retention of experienced teachers proves to be a challenge. Research presented at the Texas Strategic Staffing conference last week suggests Teacher Residents stay in the career and with the district at a much higher rate than other categories of teachers. This program also increases retention by honoring experienced teachers with stipends to compensate for their time in training the teacher candidates. In an ongoing effort to staff classrooms with the highest qualified teachers, this program provides an extra layer of training and experience for teacher candidates. The on-the-job training component of the Teacher Residency program allows for multiple benefits in increasing the number of Mesquite ISD and university-trained teacher candidates who will be able to step into the classroom with experience. This program also increases retention by honoring experienced teachers

2. If needed, use this space to continue the previous response. Enter N/A if the additional space is not needed.

by paying a \$3,000 stipend for their work with the teacher residents.

3. 2. Commitment of local resources: Please review the Program Elements section of the program guidelines. How will you, alongside your partner EPP, commit resources and time to 1) the year-long design process and 2) the implementation support year? Please share the following information: a. Who from the district/charter will be leading this work? Is their role a new or existing one? b. How does their role fit into broader talent management at your district? c. How will you track and maintain evidence of this district/charter lead's time? d. What will the person in this role do after the grant ends? How might you fund this role after the grant ends?

Jennifer Hiser, Coordinator-Professional Learning will continue leading our work with Texas Strategic Staffing. She has learned a great deal through the design and implementation years of the initial Decision 5 grant. Dr. Susan Williams, Partnership Director of Mesquite ISD and Texas A&M Commerce will continue working closely to ensure seamless connections between the entities as the Teacher Residents are trained. As Coordinator of Professional Learning, Hiser's overarching goal is to fill the teacher pipeline with strong candidates. Managing the systems that allow for identifying the best Cooperating Teachers to match with the Teacher Residents and then providing ongoing training has proven to add value. The Professional Learning Department currently uses spreadsheet and calendar invites/meetings to document time spent throughout the year. Ultimately, success will be evident as Teacher Residents transition to full time teachers after graduation. Upon conclusion of the grant the Coordinator of Professional Learning will continue the work with Teacher Residents and Host Teachers as well as expanding to work with other universities and programs to bring in more teacher candidates for on the job training. MISD would continue to fund this role after the grant ends with local funds. Both Jennifer Hiser and Dr. Susan Williams are existing positions.

4. If needed, use this space to continue the previous response. Enter N/A if the additional space is not needed.

Currently the Coordinator-Professional Learning is funded 100% by the district and Dr. Williams is funded 1/2 by the district and 1/2 by Texas A & M University Commerce.

5. 3. Description of partnership foundations: Applicants may have one or more EPP partners from the 2023-2024 Vetted Teacher Residency Program List (link located on TEA Grant Opportunities page). Please list your partner(s) and the following partnership foundations information: a. If applicable, how many years have you been engaged in a residency partnership? If the EPP partnership is new, how did your LEA staff decide to partner with this EPP? b. If applicable, how many residents have you placed each year of that partnership?

Mesquite ISD and Texas A&M Commerce have been engaged in a residency partnership for more than 30 years. We are fortunate to have a Partnership Director who is employed by both entities and provides immense value in training Teacher Residents and Cooperating Teachers. Over the 3 years of the TCLAS Decision 5 grant, we placed more than 60 Teacher Residents with the generous support of our district leaders who allocated general funds to cover beyond the grant funds.

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3014 - Program Narrative

6. c. If applicable, describe your practices for shared governance, or the review of residency program data to inform shared decision-making about teacher candidate and host teacher supports. How often do you meet with your EPP partners to review this data? As a partnership, how do you manage follow-up and response to data? If the partnership is new, describe what plans you and the EPP have for the questions above. d. Describe any other key features of your partnership's progress toward building a residency program.

In addition to the regular scheduled scope and sequence with our TA Provider, Hiser and Williams meet at least weekly, sometimes more often. Their close connection allows for constant communication regarding administering and planning for the Teacher Residents and Host Teachers. Data from observations and surveys of all stakeholders inform the training and interactions with both Teacher Residents and Host Teachers. By carefully monitoring using reflection logs and surveys we have been able to avoid some potential issues, change a placement based on concerns.
Other key features of partnership: The highly effective communication channel between Texas A&M Commerce and Mesquite ISD paves the way for collaboration in every aspect of the program. Selection and matching of Teacher Residents and Host Teachers, celebrating the beginning and culmination of the program, training of both parties and addressing issues as they arise.

7. 4. Commitment to shared communication: Describe how you will maintain strong communication throughout the design and implementation of the sustainable teacher residency program with your EPP partners and your technical assistance provider. a. How will you demonstrate evidence of communication and ongoing engagement with your partner and provider? b. If this is an existing partnership, what shared processes or norms do the LEA staff and EPP faculty currently have in place in order to address issues with residency (e.g., challenges for residents, host teachers, school sites, etc.)? c. If this is a new partnership, how does the LEA plan to work with the EPP to manage issues that arise with residency (e.g., challenges for residents, host teachers, school sites, etc.)?

The highly effective communication channel between Texas A&M Commerce and Mesquite ISD paves the way for collaboration in every aspect of the program. Selection and matching of Teacher Residents and Host Teachers, celebrating the beginning and culmination of the program, training of both parties and addressing issues as they arise.
All aspects of the selection process and training are conducted in partnership. Both Teacher Residents and Host Teachers develop relationships with both Williams and Hiser.

8. If needed, use this space to continue the previous response. Enter N/A if the additional space is not needed.

N/A

9. 5. If you have previously engaged in Strategic Staffing or previously received Texas COVID Learning Acceleration Supports (TCLAS) Decision 5 or the 23-25 Strategic Staffing grants, describe your plans for this grant. a. What data is driving the decision to engage in another cycle of design and implementation of Strategic Staffing? b. What new instructional needs have arisen? c. What are your goals for this second round of design? The second year of implementation? If your district has not previously engaged in Strategic Staffing, please enter N/A.

Data driving the decision to engage: The 60 Teacher Residents placed throughout the TCLAS grant have brought growth and learning to the program. One impressive statistic proving we are on the right track is the 100% agreement between Teacher Residents, Host Teachers, and Principals that Teacher Residents are making a positive impact on their campuses.
New instructional needs that have arisen: As we continue learning and improving our systems, we find efficiencies and economies of scale administratively. However, we find an increased need for trained teachers. The funds from this grant will allow us to continue shifting the paradigm to encourage and attract high quality teachers.
Goals for the second round of design? Implementation? We hope to continue refining our processes and systems through the expertise of Dennis Taylor, our Technical Assistance provider. The strong relationship we have built provides for innovation and creativity amidst the guidance and direction through the resources.
