

Purpose of the Turnaround Plan

The objective of the turnaround plan is to enhance foundational practices as outlined in the Effective Schools Framework at the campus level in order to improve student outcomes. This involves:

1. School Improvement Strategy Implementation:

- a. Determining a School Improvement Strategy such as...
 - i. collaborating with an external, vetted, or aligned improvement program
 - ii. developing a comprehensive internal capacity-building plan that encompasses organizational changes to ensure successful implementation.

2. Building Systems and Capacity:

- a. Determining campus and district resources that need to be deployed to implement the School Improvement Strategy.
- b. Establishing milestone monitoring systems for progress and fidelity of implementation of the chosen School Improvement Strategy.

3. Feedback Solicitation:

- a. Notifying the school community the status and needs of the campus
- b. Engage the community and receive written feedback on the proposed Turnaround Plan

Upgrading the Targeted Improvement Plan to Meet Turnaround Plan Requirements

The table below illustrates how a campus can enhance its Targeted Improvement Plan to create a robust, multi-year turnaround plan that meets all federal requirements.

Technical Guidance: How to access the Turnaround Plan (TAP) fields in ISAM through TEAL:

Navigate to the campus/district event summary page:

- o Type the name of the campus or the county-district campus number (CDCN) into the search box at the top of the application home page. Double-click the campus/district name once visible. This will direct you to the Event Summary page.

- o Click the arrow next to the program name to expand the program and reveal the campus review links.

- ▶ **Federal Requirements Monitoring**
- ▶ **Effective School Framework - Focused Support Grant (ESF-FSG)**

- o Once you click on “Turnaround Plan” on the left blue panel you will be taken to the screen to input your TAP information.
